Where You

*Live*

We are honored that you're considering living with us at Manor Lake.

Founded by Bill Creekmore, who wanted to create a safe, secure and welcoming home where his mother could thrive throughout her golden years, Manor Lake puts the "living" in senior living. We offer a family-oriented community to care for those looking to remain healthy, active and vibrant.

With 24-hour care team oversight, individualized attention, memory care services and a host of benefits and amenities at numerous locations across Georgia, Manor Lake provides an environment where your loved ones can flourish.

Your senior living choice will impact your health and happiness for years to come, so if you have questions, we're happy to help you see why Manor Lake is the senior living choice for you.

Thanks for taking a closer look at Manor Lake.

# *Live* In the Moment.

A life richly lived is filled with memories, and we help you preserve them. Caring for those with memory challenges requires skilled professionals with specialized training. With extensive experience working with those dealing with Alzheimer’s and other memory impairment disorders, our staff provides individualized care as unique as each of our residents. With a wide array of social activities and events, we also provide opportunities for residents to stay social and engaged with the wider community so they can keep making memories.

- ◆ Caring and experienced staff
- ◆ Specialized memory care
- ◆ Assistance with daily living
- ◆ Reminders and cues as needed

*“A house is a home when it shelters  
the body and comforts the soul.”* — Phillip Moffitt
